15	Sun	

Help the director by:

- a) Being seated in good time to allow the movements to be set promptly.
- b) Co-operating with the director when it is necessary for the seating to be rearranged.
- c) Not changing tables before the director calls the move.
- d) Keeping the noise level to a minimum, particularly when you have finished but some tables are still playing.

Practise ACTIVE ETHICS -- the principle that you should always make sure your opponents know, upon request, as much about your actions (bids, passes or carding signals) as your partner knows, including what you know from the experience of playing with the same partner regularly over a period of time.

Summon the director promptly and courteously when an infraction occurs, or may have occurred.

Bye Laws & Recommendations of the Tournament Committee

*System Cards are compulsory in the Red Point and Club Trophy events and must be used by regular partnerships in all events. Casual partnerships should also use them. South is to score WITH CARE and a member of the E/W partnership MUST check the score. *Members are asked to study the System Colour Coding and attach the appropriate stickers to their system cards.

*The Association plays under the current NSWBA Rules, a copy of which is available in the Club Rooms. *At each change of table, before bidding commences, players must inform their opponents about their basic system, length and strength of one level openings, strength and style of No Trump openings, use of transfer bids and any unusual calls. *In alerting, partner should say "Alert" and either circle the bid on the bidding sheet, or show the Alert card.
