## **IBA offers Introductory Bridge lessons starting TUESDAY 10<sup>th</sup> February 2026 at 9am**

Bridge is played by people of all ages, all over the world. It's a great way to keep mentally fit, make new friends and it's NOT expensive.

The Illawarra Bridge Association (IBA) conducts *Introduction to Bridge* courses that will equip you to play socially or join the many sessions played each week at our club.

The friendly teachers are experienced bridge players using modern methods in our eight-week course. Other members of the club will be on hand to help you as you practise play at each session.

Starting on Tuesday 10<sup>th</sup> February at 9am, the course consists of eight weekly lessons. The course fee of \$80 also includes 2026 club membership, and a copy of the book *Introduction to Bridge* by Paul Marston.
